

BOROUGH OF ATLANTIC HIGHLANDS
COUNTY OF MONMOUTH

ORDINANCE 008-2019

AN ORDINANCE CREATING NEW CHAPTER 115 OF THE CODE OF THE BOROUGH OF ATLANTIC HIGHLANDS ENTITLED "REGULATING USE OF SINGLE-USE PLASTIC BAGS AND LIMITING DISTRIBUTION OF PLASTIC STRAWS" FOR THE BOROUGH OF ATLANTIC HIGHLANDS

WHEREAS, the Council of the Borough of Atlantic Highlands (the "Borough") has the authority to enact laws which promote the public health, safety and general welfare of its residents; and

WHEREAS, the Mayor and Council recognize that single-use plastic bags and straws are damaging to the environment and wildlife, expensive to clean up, and an easily preventable source of litter; and

WHEREAS, most single-use plastic bags and straws are not recycled, and so they end up in the waste stream or as litter in the environment, blocking storm drains, and fouling aquatic and terrestrial environments; and

WHEREAS, highlighting the environmental impact of disposable plastic straw and bag use will encourage the residents of Atlantic Highlands to reduce the amount of plastic litter and waste in its waterways, beaches and trash streams and thereby set a positive example of ocean stewardship and "green practices" for the State and other municipalities to follow; and

WHEREAS, most of the retail establishments in the Borough provide single use, disposable carry-out bags and straws to their customers; and

WHEREAS, these single-use bags and straws negatively impact the local environment, create clean-up costs for the Borough, are costly to dispose of and take up limited landfill space; and

WHEREAS, taxpayers must bear the brunt of the clean-up costs of this litter; and

WHEREAS, in order to protect public health and safety and maintain and improve quality of life and the environment of the Borough, it is in the Borough's interest to establish regulations that minimize the amount of single-use plastic bags and straws.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Borough Council of the Borough of the Atlantic Highlands, County of Monmouth and State of New Jersey that new Chapter 115 entitled "Regulating Single-Use Plastic Bags and Limiting Distribution of Plastic Straws" be adopted providing as follows:
